Welcome to Skålsjögården at the border of Hälsingland and Dalarna!

Skålsjögården is a family-owned hotel and conference centre located in a beautiful scenic area of forests and lakes in the small village of Skålsjön one hour drive north of Falun.

Silence, stillness and complete freedom from stress will characterize your stay with us. You can step directly into the wilderness via marked walking paths, mountain bike paths or enjoy some skiing in the winter in the wonderful natural surroundings.

You can fish, go swimming or ice skating depending on the season. In the great forests you can have the chance of seeing bears, wolves, elk, lynx, beaver, eagles etc.

Skålsjögården being situated between Hälsingland and Dalarna brings you close to many local tourist attractions and activities.

Our spa is a Finnish smoke sauna (steam sauna) with an outdoor wooden bath. We fill the bath with pure spring water which has health enhancing qualities and this we heat to 40 degrees centigrade. Afterwards you can cool off in the fresh spring water pool.

In the cottage on the hill with the magnificent view you can enjoy sitting around the open fire. In the old bakery house you can bake bread in the wood-burning oven as it has been done for hundreds of years, literally providing you a taste of history.
